

Desert Drillers Community Partnership Program

The Desert Drillers 11U, 13U or 14U Baseball Teams are part of Redbird Youth Athletics, a registered 501(c)(3) nonprofit dedicated to developing youth athletes with heart, grit, and respect for the game. Based in Tucson, AZ, our teams bring together 30+ players and their families and that number continues to grow each season. Sponsoring the Drillers connects your business directly with loyal, family-oriented community members while helping us make sure that no child is ever left off the field because of financial hardship. Your sponsorship dollars go toward tournaments, uniforms, insurance, and equipment, but they also make a tangible impact by supporting player scholarships, hotel assistance for traveling families, and tournament fee relief for those in need. When you sponsor the Drillers, you're not just backing a team, you're investing in a community.
